THE YOUNG DEWBERRY

THE coming berry of the coast country. A hybrid of the Loganberry and the Austin Dewberry.

Is vigorous and prolific. Produces a large pink fruit, turning to dark wine when fully ripe, and has a distinct Raspberry flavor. It is unexcelled for Juices, Jams, Jellies, Etc.

This berry is highly recommended by Prof. Geo. M. Darrow, of the Bureau of Plant industry at Washington, D. C. It bids fair to be one of the best fruits ever introduced for the coast country.
